

## St. Mary's Prayer Shawl Ministry

Do you feel called to help the Prayer Shawl Ministry but can't make the meetings or crochet?

Well, now is your chance to make an incredible contribution!

You can donate pink and blue soft baby yarn brand "I ♥ This Yarn" . We make little hats & blankets. The nurses can wrap these around stillborn babies in dignity so they place them lovingly in grieving parents' arms for a final goodbye.

We also need any color yarn so we can make Prayer Shawls. These wrap affectionately around an ailing person's shoulders that helps them feel our Lord's healing arms holding them.

We make "fidget" mats for Alzheimer patients. You can donate large buttons, large beads, and similar items along with any material such as "fat quarters" or remnants, so we can make the mats. These to help soothe them.

Of course monetary donations to buy the needed supplies are also greatly appreciated. Just drop off your donations to the office marked "Prayer Shawl Ministry".

Thank-you so much for joining us in being Jesus's Hands & Feet in this dynamic ministry!
